BUILT-IN HOBS

speed, safety and excellent performance

THE APPLIANCE OF SCIENCE

THE APPLIANCE OF SCIENCE ZANUSSI Electrolux

These days there is a wider range of hobs available than ever before. It's certainly the case with our range. Ceramic with fast zones, induction for the ultimate in speed and safety, the exceptional performance of Pureflame gas burners and the outstanding electric touch gas. The choice is yours.

ELECTRONIC TOUCH GAS CONTROLS

FAST HEATING CERAMIC

TRIPLE CROWN BURNER

HOB TECHNOLOGY

Our new **touch control** gas hob combines the easy clean of a ceramic hob with the controllability of gas. Each zone is protected by a **safety cut-out** if the flame accidentally blows out. The burner will try to reignite itself three times. If after this it is not successful the hob will switch off the burner until the user manually switches it back on, for complete peace of mind.

On **automatic reignition** the burner will come on at maximum and then adjust itself to the burner setting selected before the flame extinguished. Each burner has a **99 minute timer** which automatically switches off the burner after the set time has elapsed.

Combine all of the above with the **easy clean lines** of a gas hob and **sturdy pan supports,** the Zanussi-Electrolux touch control gas on glass hob is at the cutting edge of hob technology.

ZANUSSI-ELECTROLUX HOB FEATURES

EASY CLEAN SURFACE
All Zanussi-Electrolux hobs are designed to be easy to clean. Ceramic and gas on glass models have easy clean glass surfaces while gas and solid plate models are made with a single monopress surface. There are no dirt traps or tight corners.

TOUCH CONTROL
Many of Zanussi-Electrolux's hobs now feature electronic touch controls with digital displays which will not only make operation easier but will give you a large choice of power levels, and makes cleaning really easy.

PUREFLAME BURNERS
Zanussi-Electrolux will give you even further improved performance through ultra rapid, semi rapid and triple crown burners.

HOB CONTROL
All Zanussi-Electrolux hobs are designed to have controls that are simple to use, easy to reach and, as with all Zanussi-Electrolux products, stylish.

ALL SHAPES AND SIZES
Zanussi-Electrolux hobs are available in a range of widths, from 60cm to 90cm, the choice is yours.

VARIETY OF BURNERS
With a wide range of small, medium and large burners, along with our triple crown burner, Zanussi-Electrolux offers you maximum heat to ensure all of your wok cooking is prepared to perfection.

AUTOMATIC INTEGRATED IGNITION
All Zanussi-Electrolux gas hobs feature integrated ignition, meaning that the gas is ignited when the control knob is switched on.

FAST ZONES
Reacts in under 5 seconds, for fast responsive cooking.

PAN SUPPORTS
Zanussi-Electrolux gas hobs feature either cast iron for durability or enamel pan supports that allow you to slide rather than lift a pan off the heat. Some models also feature a removable cast iron wok support.

GAS ON GLASS HOBS

cutting edge technology

74CM 4 BURNER TOUCH CONTROL GAS ON GLASS HOB

ZGG742E

HOB FEATURES	
4	4 PUREFLAME BURNERS - 1 RAPID, 2 SEMI-RAPID, 1 SIMMER
	EASY CLEAN CERAMIC SURFACE WITH NO DIRT TRAPS
	ELECTRONIC TOUCH CONTROLS
+	Plus • Safety gas cut off using thermocouples • 99 minute timer with acoustic signal • 2 stylish cast iron pan supports with sliders and rubber feet • Automatic electronic ignition on each knob • LPG kit included
STAINLESS STEEL FRAME	ZGG742EX

OUTSTANDING

Exceptionally easy to clean, this touch control gas on glass hob is at the cutting edge of hob technology.

70CM 5 BURNER GAS ON GLASS HOB

ZGG782C

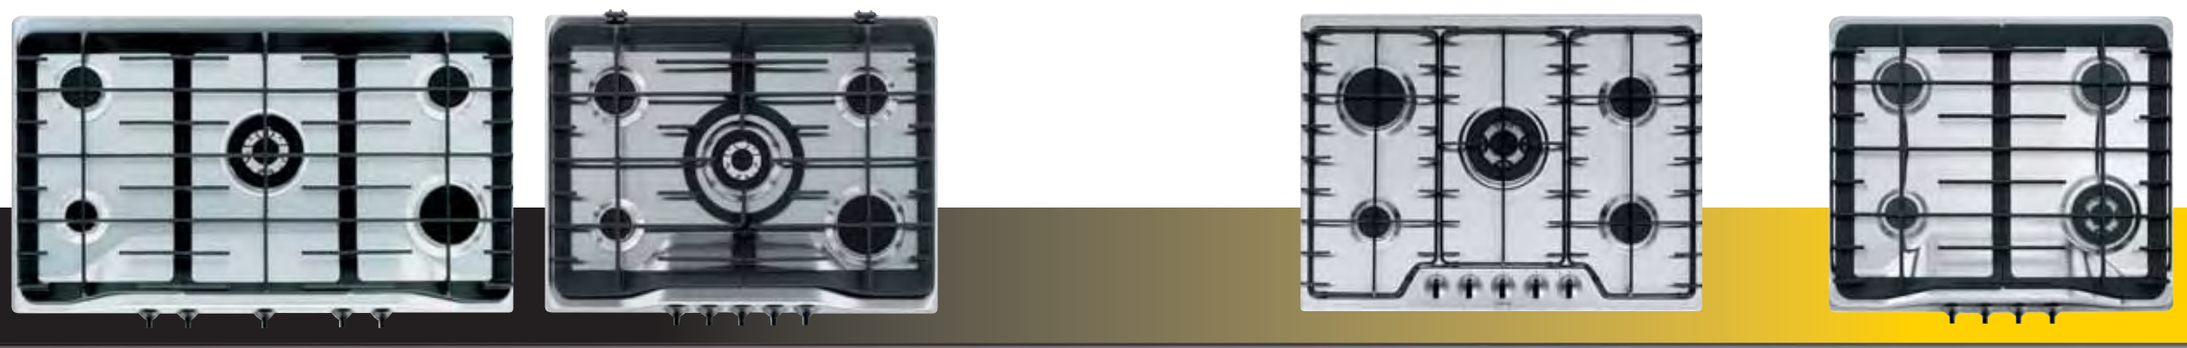
HOB FEATURES	
5	5 PUREFLAME BURNERS - 1 ULTRA-RAPID TRIPLE CROWN, 3 SEMI-RAPID, 1 SIMMER
	EASY CLEAN CERAMIC SURFACE WITH NO DIRT TRAPS
+	Plus • 2 stylish cast iron pan supports with sliders and rubber feet • Central cast iron pan support with rubber feet • Removable cast iron wok support • Automatic electronic ignition on each knob • Easy to reach front controls • LPG kit included
STAINLESS STEEL FRAME	ZGG782CX

60CM 4 BURNER GAS ON GLASS HOB

ZGG642C

HOB FEATURES	
4	4 PUREFLAME BURNERS - 1 RAPID, 2 SEMI-RAPID, 1 SIMMER
	EASY CLEAN CERAMIC SURFACE WITH NO DIRT TRAPS
+	Plus • 2 stylish cast iron pan supports with sliders and rubber feet • Automatic electronic ignition on each knob • Easy grip side controls • LPG kit included
STAINLESS STEEL LOOK BLACK	ZGG642CX ZGG642CN

EXCEPTIONAL performance



90CM 5 BURNER GAS HOB

ZGF982C

HOB FEATURES

5 PUREFLAME BURNERS - 1 ULTRA-RAPID TRIPLE CROWN, 1 RAPID, 2 SEMI-RAPID, 1 SIMMER

Plus

- Single smooth hob surface with no dirt traps
- 3 stylish cast iron pan supports with rubber feet
- Removable cast iron wok support
- Automatic electronic ignition on each knob
- Easy to reach front controls
- LPG kit included

STAINLESS STEEL — ZGF982CX

70CM 5 BURNER GAS HOB

ZGF782C

HOB FEATURES

5 PUREFLAME BURNERS - 1 ULTRA-RAPID TRIPLE CROWN, 1 RAPID, 2 SEMI-RAPID, 1 SIMMER

Plus

- Single smooth hob surface with no dirt traps
- 2 stylish cast iron pan supports with rubber feet
- Removable cast iron wok support
- Automatic electronic ignition on each knob
- Easy to reach front controls
- Fits standard 60cm cut out
- Can be used with 60cm cooker hood
- LPG kit included

STAINLESS STEEL — ZGF782CX

70CM 5 BURNER GAS HOB

ZGM782i

HOB FEATURES

5 PUREFLAME BURNERS - 1 ULTRA-RAPID TRIPLE CROWN, 1 RAPID, 2 SEMI-RAPID, 1 SIMMER

Plus

- Single smooth hob surface with no dirt traps
- 3 enamel pan supports with up to 10 stability fingers per burner
- Removable enamel wok support
- Automatic electronic ignition on each knob
- Easy to reach front controls
- Fits standard 60cm cut out
- Can be used with 60cm cooker hood
- LPG kit included

STAINLESS STEEL — ZGM782iX

60CM 4 BURNER GAS HOB

ZGF692C

HOB FEATURES

4 PUREFLAME BURNERS - 1 ULTRA-RAPID TRIPLE CROWN, 2 SEMI-RAPID, 1 SIMMER

Plus

- Single smooth hob surface with no dirt traps
- 2 stylish cast iron pan supports with rubber feet
- Automatic electronic ignition on each knob
- Easy to reach front controls
- LPG kit included

BLACK — ZGF692CN
WHITE — ZGF692CW

PUREFLAME
burner gas hobs

60CM 4 BURNER GAS HOB
ZGF682

HOB FEATURES

4 PUREFLAME BURNERS - 1 ULTRA-RAPID TRIPLE CROWN, 2 SEMI-RAPID, 1 SIMMER

Plus
- Single smooth hob surface with no dirt traps
- 2 enamel pan supports with 4 stability fingers
- Automatic electronic ignition on each knob
- Easy to reach front controls
- LPG kit included

STAINLESS STEEL — ZGF682X

60CM 4 BURNER GAS HOB
ZGL62i

HOB FEATURES

4 PUREFLAME BURNERS - 1 RAPID, 2 SEMI-RAPID, 1 SIMMER

Plus
- Single smooth hob surface with no dirt traps
- 2 enamel pan supports with 8 stability fingers per burner
- Automatic electronic ignition on each knob
- Easy grip side controls
- LPG kit included

STAINLESS STEEL — ZGL62iX
BLACK — ZGL62iB
WHITE — ZGL62iW

60CM 2 BURNER GAS HOB
ZDG322

HOB FEATURES

2 PUREFLAME BURNERS - 1 RAPID, 1 SIMMER

Plus
- Single smooth hob surface with no dirt traps
- 2 enamel pan supports with 4 stability fingers per burner
- Mains powered
- Integrated ignition
- Easy to reach front controls
- LPG kit included

STAINLESS STEEL — ZDG322X

INDUCTION
for the fastest, safest, easiest to clean ceramic hob cooking

INDUCTION

The most advanced ceramic hob around - Induction gives all the benefit of easy to clean ceramic together with the fastest, most responsive cooking whether you're cooking pasta or melting chocolate.
Induction works by creating a magnetic field, which is activated by using a ferromagnetic pan - this means the food heats, not the hob - really safe to use and so easy to clean - the ultimate in hob cooking.

60CM 4 ZONE INDUCTION HOB
ZKT652D

HOB FEATURES

TOUCH CONTROLS WITH A POWER LEVEL DIGITAL DISPLAY

WIPE CLEAN CERAMIC HOB SURFACE

Plus
- 4 heat zones 4 induction
- 2 powerful boosters
- 4 residual heat indicators
- Child / user safety lock
- Auto safety switch off - time dependant
- 99 minute timer with acoustic signal
- Easy to reach front controls

STAINLESS STEEL — ZKT652DX

DIGITAL DISPLAY

Featuring electronic touch controls with a digital display - for total ease of use with a touch of science.

THE APPLIANCE OF SCIENCE

THE APPLIANCE OF SCIENCE ZANUSSI Electrolux

If you're going to be spending a lot of time in your kitchen, you want it to be as pleasant an experience as possible. A big part of that means clean air.

ZANUSSI-ELECTROLUX HOOD FEATURES

3 OR 4 SPEED LEVELS + INTENSIVE SETTING

With 3 or 4 speed levels to choose from and, on some models, an intensive option, Zanussi-Electrolux hoods will deliver extremely high extraction rates with minimum noise, to keep your kitchen fresh.

STYLISH DESIGN

Zanussi-Electrolux combines brilliant design with stunning good looks, from our range of chimney hoods with their glass canopy and blue lighting, to the new stainless steel cylindrical chimney hood. All are designed to complement your oven and hob perfectly.

FILTERS

Whether you choose a hood that extracts or re-circulates air you certainly won't have any trouble with our filters. You can choose between metal filters that can be washed in a dishwasher or synthetic filters with saturation indicators that let you know when they need changing. And the charcoal filters come as standard.

LIGHTING

Zanussi-Electrolux hoods provide excellent lighting, great for illuminating the cooking area.

ALL SHAPES AND SIZES

Zanussi-Electrolux chimney hoods come in a variety of shapes and sizes, ranging from 60cm up to 90cm. These make perfect use of stainless steel, glass and combine bright halogens, with subtle mood lighting.

STAINLESS STEEL ISLAND HOOD
ZHC590

HOOD FEATURES

4 SPEED LEVELS + INTENSIVE SETTING

Plus

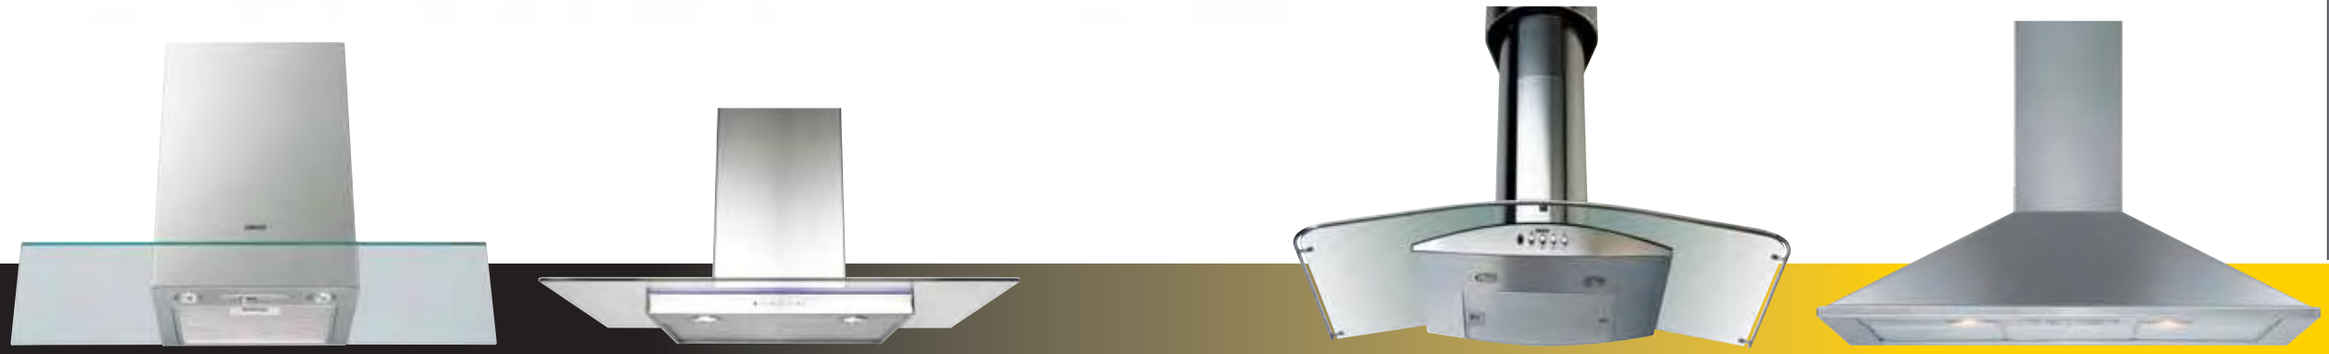
- Stylish cylindrical design
- Electronic push button controls
- 4 x 20W halogen spot lamps
- Washable metal grease filters
- Attaches to the ceiling for wall or island site position
- Charcoal filter as standard
- Recirculation or ducted
- Maximum extraction rate 660m³/hr
- Maximum noise level 65dBA

STAINLESS STEEL ZHC590X

PERIMETER EXTRACTION

The new cylindrical ZHC590X uses technology that allows airflow to be directed to the outer edge of the cooker hood, rather than across a large surface area. This reduces energy use and, because the air has a shorter distance to travel, quieter operation.

A HOOD RANGE
to be proud of



90CM STAINLESS STEEL CHIMNEY HOOD
ZHC955

HOOD FEATURES

Plus

- 3 speed levels
- Stylish stainless steel hood with angled glass canopy
- Slider controls
- Twin 20W halogen spot lamps
- Washable metal grease filters
- Charcoal filter as standard
- Recirculation or ducted
- Maximum extraction rate 420m³/hr
- Maximum noise level 62dBA
